Students may call, complete the online registration process (as applicable), or come to the college to preregister. On-campus preregistration is available on the Wilkes Campus in Beacon Hall (second floor), at the Ashe Campus, and the Alleghany Center. Preregistrations are taken on a first-come, first-served basis until classes are filled. Preregistration only assures a person a space in the course if that person is on time for the first class meeting. Registration will be completed at the first class meeting when students pay fees (unless otherwise required). Certain courses require payment at the time of preregistration or have other requirements. Please see the online schedule, www.wilkescc.edu/WDCE, for complete information.

Class refunds are not offered for self-supporting courses. No refunds will be issued for withdrawals prior to the course census date. Census dates vary from course to course.

In compliance with State Board policy, WCC will refund 100% of tuition and fees for students who officially withdraw prior to the course census date. No refunds will be issued for withdrawals after the census date. The college will refund 100% of tuition and fees for community service courses if a student officially withdraws prior to the first class meeting; no refunds are permitted in these courses thereafter. Refunds are not offered for self-supporting courses.

Late registration is generally permitted through the second class meeting, depending on the course requirements.
