

***Wilkes Community College
Emergency Medical Science Bridge Program A45340B
Fall 2024***

The EMS Bridge Program is a degree completion program developed that will allow current certified non-degree Paramedics to earn a two-year Associate of Applied Science Degree in Emergency Medical Science.

Admission Information

Students applying for admission to the Wilkes Community College Emergency Medical Science Bridge Program MUST meet the following requirements:

1. Complete and submit a WCC online application at www.wilkescc.edu/new-students/ (complete Option 2 and 3) and choose ***EMS for Currently Certified Paramedics (AAS)*** as your program of study.
2. High school diploma or recognized equivalent must be completed before entry into the program. If applying as a high school senior, submission of a transcript reflecting all high school course work completed at the time of application and the anticipated high school graduation date is required. If admitted, a final transcript must be submitted prior to beginning the program that reflects additional coursework completed and the official graduation date.
3. Request official transcripts from all colleges/universities previously attended to be sent to Wilkes Community College Office of Admissions. Note: Must have a “C” or higher in all college level coursework in related classes and core courses in the EMS program of study to receive transfer credit.
 - Official Transcript – A transcript that is received by the Student Services Office in a sealed envelope with the official school seal.
4. Prove college readiness. EMS Bridge students must be eligible to enroll in ENG 111 and MAT 143 without a co-requisite.
5. Meet with Morgan Staley for advising and registration.
6. Complete New Student Orientation.

Additional requirements must be submitted to Morgan Staley in Student Services after submitting your online application:

- Must be currently certified as an active NC EMT-Paramedic or National Registry EMT-Paramedic
- Current ACLS Certification
- Current PALS Certification
- Current BLS Healthcare Provider Certification
- Documentation of at least 1,000 hours of direct patient contact as a paramedic in the field.
